

CAD 222 - CAD Mechanical Design I - 3 Units

Meets at 6pm to 9:50pm, on Monday and Wednesday, additional hours to be arranged

From 3/24/2008 to 5/14/2008, Final class on 5/19/2008

9 Week course

Instructor: Robert Garza

Contact:

Required Preparation: CAD 220 or equivalent.

Required Book: *Autocad 2008, 3D Drawing and Modeling* by Ascent, available in the bookstore.

Required Materials: A USB flash drive to save your work.

Course Description

A continuation of CAD 220 with an emphasis on advanced CAD functions used to create 3D Models. The class will be web enhanced and will require the student to access class information on the class website.

Class websites: <http://swccd.blackboard.com/> & <http://www.cadnirvana.com/>

Grading:

90% "A"

80% "B"

70% "C"

60% "D"

< 60% "F"

The student may be dropped from the course if she/he:

1. Fails to attend the first class session.
2. Accumulates a total of three absences. Three tardies equals one absence. If a student is dropped from the class for any reason they must petition through admissions to re-enroll in the class.

Student rights and college attendance policies in the college catalog.

The length of the course is nine weeks. Any student who misses two class sessions and shows up 15 minutes late four times has missed over 15% of class lecture and lab time. Class attendance and use of the open lab is crucial for your success in this class.
